Dream it. Believe it. Achieve it.

Partnership Learning

Keeping your child safe online

There are now more ways than ever before to create, edit and share images and videos online.

Did you know...

Images and videos get 8,500 likes and 1,000 comments per second on Instagram

400 million snaps are sent on Snapchat each day

On Instagram, photos showing faces are 38% more likely to get 'likes' than photos without faces

The equivalent of 110 years of live video is watched on Periscope every day.

300 million photos are uploaded to Facebook every day

Online Content

GREATFIELDS SCHOOL

Advice

- Discuss online experiences
- Critical thinking is key
- How does what they see impact on how they feel?

Online Conduct

Advice

- Think before you post
- How do their photos affect others?
- Build an online reputation
- Use privacy settings on social media

Online Contact

Advice

- How many friends and followers?
- Look after personal information
- Why someone may make contact
- Report and block offensive images, messages or users
- Geotagging and geolocation settings

What can I do right now?

- Open dialogue with your child
- Family agreement
- Consider filtering and blocking software
- Think before you/they post
- Understand the laws
- Privacy settings and reporting
- Save the evidence and report the incident
- Know where to get help
-
