

Ready to serve

Dear Parents/Carers

Firstly, thank you for your support over the past year in what has been very strange times at Greatfields School due to the global pandemic. It will be fantastic to see all the students back for the Spring term.

Our goal continues to make eating at school a pleasurable experience and offer healthy and nutritious meals in line with Government guidelines. On our return we will be continuing with our new procedures and training in areas such as social distancing, food safety and enhanced cleaning regimes. This means that we can continue to produce and serve food safely for your children.

We look forward to seeing the students this half term and wanted to share with you some insight to what is coming up in the kitchen at school.
