

Dear Parent/Guardian,

We hope that you are keeping well and looking forward to the long-awaited summer ahead!

You will have recently heard about the once in a lifetime experience that we are offering to your young person this summer on NCS.

The programme offers young people, aged 16-17, an unforgettable opportunity to do something meaningful with their summer break, as well as a chance to develop skills and take on new challenges that will set them up for adult life. They'll also do something good for their local community, carrying out a project to support a cause they care about.

We have a number of 2 and 3-week programmes running through July and August and would love to have your young person join us!

Whether you're a parent/guardian of a young person already signed up to the programme or would simply like to find out more about what we're offering, we'd like to invite you to our **Parent & Guardian Online Information Evening on Thursday 29<sup>th</sup> April 2021**. We'll kick off with an info presentation delivered by the local delivery team from 6.30-7.00, followed by time for any Q&A.

We'll go through the details of the programme, including a breakdown of what they'll be getting up to and the benefits of taking part. Hopefully we'll cover many of your questions, though please feel free to come along to ask us anything you may have in mind.
