Shout out to....

9x SC3

Just wanted to give a class shoutout about how amazing 9xSc3 have been this entire term, they've shown great attitude and resilience studying such difficult concepts in Science! - Mr Khan

Shout out to....

The debating team

Year 9 students from Greatfields School entered the first Urban Debate League of the year on Thursday 27th January 2022. Students began the round by debating the motion: "Politicians should be allowed to keep their private lives private' and they argued well but lost to Sarah Bonnell school. However, in the second round our team of six came back with determination and successfully argued against the abolishment of school sanctions.

The mentors at Debate Mate were really impressed with how our students worked together and argued so passionately. A huge well done to Praise, Folanyi, Mousumi,

Shanzay, Lilly Meere, and Jumai for all their hard work!
