

This weeks...

8 Zamir- from Miss. Walker- Robinson:

For an excellent art cover lesson, they were absolutely fantastic. They produced some amazing surrealist artwork. Especially Yusuf he was focused and on task for the whole lesson. He produced an amazing piece of art.

Yusuf from 8Z Miss. Worrall:

These past couple of History lessons he's been absolutely amazing! Completely engaged and finishing all the work and contributing really in-depth answers to the discussion. I think he's really enjoying the topic of South Africa and it's lovely to see him so excited about History.

Khalid Nassoro- 8K from Miss. Malaveci:

For his brilliant contributions in History. We have been learning a sensitive topic of Apartheid and he has been able to demonstrate brilliant insight into each lesson.

Abdullah from Miss. Malaveci:

Very impressed with how you were trying to ensure you're paragraphs could be improved in the tracking assessment and asking me for advice on how to improve his work even further!
