Sefrat- 8M from Miss. Worrall:

Sefrat helped design and make Eco Clubs animated video that maybe used in DEAR time next half-term, it's an amazing video and Sefrat isn't even part of the Eco Club, he just wanted to help out. It's such a well-done video and we're looking forward to showing it all to everyone.

Riya Alexander, Diya, Veerawal, Samiha and Monim from Miss. Khanam:

For their incredible work during English lesson, for always going above and beyond in their written work and just being a delight to teach. You have engaged with Journey Poetry and class discussions really well.
Superb!

8G were put on emergency cover for P1 and when I walked in at the beginning of P2, they were all working very hard, immaculate behaviour, getting on with the task with full dedication. My heart was filled with pride.

Year 8 Netball Team- from Miss. Bevan:

I am so incredibly proud of how far all the girls have come over the year and how much they have improved as a team. We have had an extremely hard season with the girls having to play majority of Year 9 teams. They have been super committed to training and are always enthusiastic and motivated to learn new skills and work on weaknesses. They have been a credit to Greatfields and have made me a very proud PE teacher.

Daria- 8M from Mr. Rashid:

For exceptional effort in English. Daria always tries her best to get on the challenge and extension activities , I have been so impressed with her analytical skills and fantastic ideas in poetry.

8M- from Miss. Fernandez:
