"Well done for donating to and participating in the Beat the Year 10 charity race. You were the only student in the school to have beaten the Year 10 students. Thank-you for your support and generosity.

GREATFIELDS SCHOOL
Dream it. Believe it. Achieve it.

Noah 9K - Marking their TAs at the moment, Noah has an amazing answer! He's retained so much knowledge, it's clear he did the revision and his focus and hard work in his History lessons has been outstanding. This is such an improvement on his last TA and other work before.

To the year 9 girls netball team for their superb performance in the Borough Netball rally on Tuesday. 18 teams entered the competition and these girls finished 4th overall. Ms Sterling is exceptionally proud of how these girls played together as a team and showed excellent sporting prowess!

Player of the tournament -
Vanessa!
