

This weeks...

8T from Miss. Faruke:

8Todd have been working incredibly hard in their Maths Lessons. They have all shown great effort in understanding how to find the LCM of numbers, even when it got very tricky! 8Todd were resilient from their mistakes and did not give up at all! I am so impressed with their efforts! Please keep this up!

Mbwana Rashid from Miss. Farkue:

I would like to give Mbwana a shoutout for his excellent effort in my Maths Lessons recently! He has been contributing some fantastic ideas and has been producing outstanding pieces of work. I am so impressed with the positive change in Mbwana's work ethic, please keep this up!

Music Shout outs from Mr. Bagley:

8Z - Yusuf, Maria, Abdou - For fantastic hard work in Music. Working hard in lesson to complete extension tasks and supporting their classmates in their performances.

8J - Shrusti, Dunia, Denise and Janis for consistent hard work in all of their music lessons. They are making fantastic progress and always show an excellent attitude to learning.

8H - Jannatul, Kiyah and Angel - These students put effort into all of their music lessons. Show a really positive attitude to their learning. I was really impressed with their work on chords last week.

Ibrahim & Monim from Mr. Guerra:

I would like to let you know that Ibrahim (8J) and Monim (8K) are helping me during the break time to put the student's books in the correct table. They are doing this because they want to, I did not ask them. I think this is really nice and an excellent example of great attitude that we must promote to our students.

Anna Shahzad from Miss. Windsor:

Please give a shout out to Anna for her incredible efforts in her art lessons as well as in art club. She consistently creates imaginative and original artworks that are personal to her and she always puts in 100% effort in her practice as an artist. Very excited to see what Anna will go on to create as a young artist!

Anna has also won Artist of the Month!!!

Pupil of the Week

Abdul-Rahman Ashar Mulaffar - 8J- 5 Positive Referrals

- ▶ PE- Amazing lesson in PE today. Well done for persevering even though it was cold outside.
- ▶ Art- Excellent work creating your surreal designs
- ▶ Maths- Showing great effort in class.
- ▶ History- Well done on the effort shown in our lesson on Mandela. Keep up the good work!
