GREATFIELDS SCHOOL
Dream it. Believe it. Achieve it.

The school:

Greatfields School opened in September 2016. We are located in Barking, East London, and are proud to be the first secondary school to be built on the Gascoigne Estate. We have quickly established a positive reputation with our parents and local community and are known for our excellent behavior and the high ambitions we have for the young people of this community.

Our accommodation consists of three state of the art, new buildings, the last of which will open in February 2022. The opening of our final building, which includes our library, Sports Hall, dance and drama studios, will allow us to increase our student numbers and to welcome our first Sixth Form Cohort in September 2022. This is an exciting time for the school and our new accommodation will enable us to open our doors even further to the local community.

Our vision:

We believe that our young people can compete with any other child in the country and we do everything we can to ensure that they have the same opportunities as other young people across the country. It is incumbent upon us to give our students access to a broad, engaging and challenging curriculum; to give them access to a range of activities, trips and clubs outside of the classroom to develop their cultural capital; and to develop their levels of resilience, determination and work ethic.

We also passionately believe in ensuring our young people feel safe and happy in school. This is done through the establishment of high expectations and clear routines and by taking a positive approach to behavior at all times. This means that staff never shout at or demean our young people, and we understand the importance of mutual respect at all levels of the school.

Finally, we care deeply about and understand the responsibility we have towards our local community. This is a school embedded in the community and is one which we are proud to serve.

Teaching and Learning:

Our approach to Teaching and Learning is to challenge our students' thinking, celebrate mistakes as a way of learning and to develop a Growth Mindset approach to learning. We expect the students to work harder than the teacher in lessons and to be actively engaged throughout. We don't want our students to become overly reliant on the teacher and to be able to develop strategies to work things out for themselves when they're stuck.

Great ambition.
Great teaching.
Great students.

GREATFIELDS SCHOOL
Dream it. Believe it. Achieve it.

We run a three Key Stage 3 and offer a broad curriculum to all of our students at Key Stage 3, including Food Tech, music, art, PE, dance and drama alongside the core subjects. At Key Stage 4, our offer is increasing every year and we have recently introduced Health and Social Care, Sociology, Business and IMedia to the list of subjects available to our students to choose for Key Stage 4. We have also been able to offer a broad range of subjects, both A Levels and BTEC, at Key Stage 5. The curriculum is constantly being reviewed and developed to ensure it is responding to the needs of our students.

We want our teachers to develop and learn along with the students. We have regular drop ins, which are used to encourage teachers to reflect on their practice and focus on clear areas for development. In addition, all staff have a regular line management meeting to help support and develop them. Our CPD is focused on one or two key areas of pedagogy each year to ensure real progress is made by all staff in these areas.

Extended curriculum:

Developing our students' cultural capital and independent learning skills is a core part of our ethos. As a result, we have introduced an extended day for three days a week for all students. Two of these extended hours are spent on completing independent study, supervised by a teacher, and the third hour is spent participating in an extra curricula club of the students' choice.

PE and the Arts play a vital part in the life of the school, and as well as students being able to participate in these during their extra curricula clubs, we also have many opportunities for students to represent the school in sports teams; take part in creative and artistic workshops; and to visit a range of museums and galleries in London. We have recently been collaborating closely with the English National Opera which has provided our students with some incredible opportunities. Rehearsals have also just begun for our first ever whole school musical production.

Great ambition.
Great teaching.
Great students.

Job description for Head of PSHE (with Citizenship and Religious Studies):

Line manager:

The postholder will be responsible to a member of SLT

Core responsibilities and duties:

- To have a passion for and expertise in your subject area.
- To plan and deliver lessons which consistently challenge students' thinking and force them out of their comfort zone.
- To be a reflective practitioner constantly striving to improve your practice.
- To ensure that the PSHE, Religious Studies and citizenship curricula meet all statutory requirements.
- To constantly review and develop the curricula with the safeguarding, pastoral and Equalities teams to ensure that it is meeting the needs of our students.
- As the department grows, to line manage, develop and support members of your department with weekly lesson drop ins and weekly coaching meetings.
- To manage the department budget.
- To be an active member of the Middle Leadership Team, contributing to the ongoing development and improvement of the school.
- To supervise or run at least two extended curriculum clubs each week.
- To take responsibility for your own professional development including attending relevant CPD events, observing peers and identifying personal developmental targets.
- To collaborate with colleagues within the Trust and with other schools to share examples of best practice.
- To develop positive relationships with the students based on mutual respect.
- To consistently implement the school's positive behaviour system.
- To work effectively within team, support colleagues and not be afraid to ask for support.
- To be ambitious and take advantage of the many opportunities for progression offered by the school.

This job description will be reviewed regularly and may be subject to change at any time after consultation with the postholder.
