10B Business Studies

Mr Beg: Please could you give a shoutout to 10B/Bu2 for excellent engagement in Business studies since I have taken over as long-term cover for Jasmine and showing resilience in the face of change. 10B/Bu2 have engaged very well with the work set and are very focussed on making up for lost time. The passion and enthusiasm shown in our Hotseat exercise was fantastic. I am very proud of them and look forward to working with them.

Excellent Work. Keep it up!

He was willing to help me with demonstrations, was very focussed on the task and is always determined to better his skill level. He was our unbeaten table tennis player of the day and also managed to beat Mr Withers in a rally!
