

This weeks...

## Ricky Veliu & Endi Dragusha- 8T from Mr. Rashid:

Well done for giving 100 percent effort in all tasks within English. I have been so impressed with their effort , leadership skills and fantastic work recently when looking at dangers and disasters in English.

## Elizabeth, Hamida & Eleana- From Mr. Rashid:

Well done for showing excellent team work and effort. These three pupils were able to win the class competition in English when we were analysing different train disasters in English. I was impressed with the group's leadership skills, ability to work together maturely and how every pupil was able to contribute to the group equally. It was fantastic to see!

## Angel, Franck & Rafsan- 8H from Mr. Withers:

For adopting a growth mindset when throwing the javelin. All three students greatly improved their technique and were able to improve the overall distance of their throws.

## Helena Lopes-Shokoya-8Z- From Mr. Withers:

Outstanding effort during all running lessons. Helena challenged herself when running the 300m race and also did extremely well in the 100m sprint.

## Ameeraj Butt & Helena Lopes-Shokoya- from Miss. Khanom:

Both these students demonstrated a great attitude towards learning. Ameeraj and Helena worked with their group to actively read and understand two challenging texts and work out the meaning of new vocabulary.

## Shout Outs from Miss. White:
