

This weeks...

Prosper Adudu-Eitanun- 8K from Mr. Tatum:
Excellent engagement in Geography lessons this Half Term on Africa; is fast becoming a great geographer. Keep pushing yourself!

Lina Boucebha- 8K From Mr. Tatum:
For sharing her extended writing with the whole class; for taking onboard feedback positively and therefore looking for ways to improve her work. A great growth mindset!

Enisha Ehsan (8Z) & Hannan Mahrouche (8K) from Miss. Khanom:

For both writing an excellent response to a GCSE style question on comparing two sources. They both were focussed and wrote responses that I would be happy to have read from a Year 10 student.

Khalid Abdi & Kajus Petrusis- 8J From Miss Fernandez:

Thank you for helping to carry my things all the way up to the first floor and were very polite the whole time!

Riya, Veerawal, Samiha, Diya, Tanzila & Jemima- 8YEN1 from Miss. Khanam:

These students have worked consistently well during lesson and have gone above and beyond in their Independent Learning. I am extremely impressed with these students.

TITANIC

Titanic's builder about to go under.

DE/FAST - Harland and Wolff, the Belfast shipyard that built the Titanic, was put into administration on Monday after its bankrupt notepaper.

The shipyard, whose towering yellow crane dominates the Northern Irish city's skyline, has been acquired by customers fearful for their jobs since last week. A Harland and Wolff spokesman said.

Titanic on its doomed maiden voyage in 1912.

They said on Monday they would block administrators from entering the site. The business was put up for sale last year Norwegian parent Delphi Drilling, which filed for bankruptcy in June. It has been in decline for over half a century however, and now employs just 30 full-time workers.

He said he understood all workers had been given advance notice of redundancy. The work had stopped since the yard last week and a talking business, they were due to vote on Monday on whether to continue the protest.

DANGERS & DISASTERS

Natural disasters: Global warming, Storms, Earthquake, 9/11

Manmade: Around the world, Titanic

FACTS to know

- Many people died or lost their beloved ones during these horrible events.
- Some lucky people survive but those that do live the rest of their lives remembering and reliving it.
- Many articles are written on such events.

Many who survived live to tell their story. Many are heartbreaking and other, terrifying and dramatizing.

THE TITANIC & its history

The Titanic is about a tragic event that impacted many people's lives in different ways. It is about an unexpected turn of events about how the people thought they would safely reach the destination as planned but instead hit an iceberg resulting in the untimely event.

Many people must know this story because they have seen movies, read books that have been written inspired by the Titanic story. And yes the movie will leave you in tears mirroring the tears of the people that witness the end of many lives and death.

**Zara, Emaan, Aiste, Riya, Ayna, Enisha,
Dunia, Mirela, Misbah and Daniel from Miss.
Windsor:**

For working so hard in Art Club to create their 'Thank You Post Boxes' so that teachers can receive their thank you mail in beautiful packaging. Their creativity and innovative ideas created a wonderful box of gratitude!

Ryan Bondo- 8K From Miss. Leach:

Well done for your hard work and effort and the
Athletics tournament this week!

Ryan is the 3rd fastest boy in year 8 for 200m in
Barking & Dagenham.

Parents Evening!

- ▶ Thank you to all of you who attended parents evening yesterday
- ▶ Thank you to Agatha, Jaqueline, Sefrat, Sajid, Stilian, Hitika, Ahmed K, Jamal, Diya and Ameeraj for helping all evening and for greeting all the parents! You represented the school incredibly well.
- ▶ Please use the feedback your teachers gave you to improve even further in all of your lessons.

Pupil of the Week

Abdul-Rahman Ashar Mulaffar - 8J- 6 Positive Referrals
