Ruqayyah Soud and Mbwana Rashid- 8T from Miss. Faruke:

A huge shoutout for Mbwana and Ruqayyah for working superbly! They have shown excellent teamwork when it came to the challenging tasks while remaining resilient. Well done to the both of you!

Iqra Abedin from Miss. Worrall:

She's been working amazingly hard in History recently and we were working through a really hard worksheet and she continued to stay focused and engaged throughout the whole lesson. She also tries her best to help out other students when she can and it's clear that she's got a real passion for the subject.

All of 8Z from Miss. Windsor:

I would like to make a shout out to my form 8Zamir for their enthusiasm and participation in the Ramadan Good Deed Calendar. 8Zamir now say Good Morning and they tell me to "have a good day" every day with a big smile on their faces as they head off to p1! This brightens my morning and theirs and hopefully, from there, we all have a positive day, spreading kindness throughout the school. They are all very considerate, polite and enthusiastic every morning in the form time activities too. I am feeling very proud of them! Well done 8Zamir!

Markos Ballabani from Miss. Haywood:

Each week you share your mature ideas and are always keen to assist me in handing out equipment each lesson, it is very much appreciated!
