

This weeks...

Ricky Veilu- 8T from Dr. Calladine:

For absolutely exceptional work in his humanities lessons! He always has a positive attitude to learning and pushes himself to complete all tasks with maximum effort. He demonstrates exceptional behaviour and is always very polite and helpful too. Brilliant job Ricky!

Markos Ballabani & Ricky Veilu from Miss. Worrall:

Throughout the last week they've been bringing me so many bottle caps throughout the day to help build the mural for Eco Club. They must be bringing at least 20 bottle caps everyday. I'm so impressed!

All of 8H from Miss. Adeniyi:

For their amazing effort and focus while studying merchant of Venice. They've all grasped the understanding of keywords and constants so well! Keep on smashing it for the rest of the term!

Yousef Arshed, Sanan Shah, Musa Raza, Adnan Ali Oni, Aayan Shahzad & Mason Wyllie from Mr. Withers:

The Year 8 Cricket team have showed big improvements with their bowling lately and behaved superbly well at the borough tournament last week.

Player of the Tournament - Yousef Arshed!

The Year 8 Basketball Team- Miss. Leach:

Hussein Sheikh Hassan, Junior Mbadu-Panzu, Gerald Rada, Adnan Nur, Khalil Said, Ahmed Gasaali, Ryan Bondo and Omar Salem

On Friday 24th June, the Year 8 Boys Basketball Team played at home in the Borough Basketball Tournament. This was organised by Greatfields and played in the sports hall. The boys went on to beat Barking Abbey, Dagenham Park and Eastbury to qualify for the final against Sydney Russell.

They all have trained and work exceptionally hard and showed great skill and teamwork to get to the final. Unfortunately, we lost but Greatfields are now ranked second in the borough for Year 8 Boys Basketball. This is the best basketball achievement for Greatfields yet!

Pupil of the Week

Lysa Idehen- 8T- 6 Positive Referrals

- ▶ **Art-** For drawing a variety of different portraits using different drawing styles.
- ▶ **Science-** For working incredibly hard in your science lesson!
- ▶ **Civics-** Well done for suggesting some fantastic ideas on the key transferable skills we need in a job! Keep up the hard work
