This is an opportunity for you to work with some extraordinary and aspirational students, in a developing area of East London. The Gascoigne community is a very special place and we are privileged to be building a school at its heart. The school is driven by the dreams, aspirations and ambitions of our students and the wider community and we would love you to join us in helping us to build a school which will drastically improve the life chances of our young people.

Greatfields opened in September 2016 and we will eventually grow to become a ten form entry school with 1800 pupils, including sixth form, in our new permanent accommodation. We currently have approximately 960 students across Years 7 to 12.

We are looking to appoint a highly motivated and committed Invigilator who shares our vision and ambitions for the young people of this community. This role is ideal for an ambitious person who is looking to develop professionally as the school grows and the school will ensure that appropriate training is put in place.
