

Shout Outs

A massive shout out to year 10 Photography GCSE who were all amazing on our trip Tuesday 1/11/22.

No one complained despite the rain and the wind. Positivity and fun all round. We walked down the river Roding to the Thames and back and everyone took some beautiful photographs.

James, Guste, Angelika, Zayyan, Hayyan, Abdulrehman, Umaiyyah, Bianca, Andrea, Zak and Mirzaan: thank you for all your hardwork!

Shout Outs

I have a shout out for Riley Pereira in Maths.

Well done for working extremely hard in your first week of maths in my class. You were well engaged got through all the work set even asked for more. Riley has shown a fantastic mindset by getting onto extension and challenge work to help revise for his TA.
