- I wanted to say that Giovanni in 10MJ, Lisandro 10PH and Abdul Heimeed in 10MJ were extremely helpful after school, in their own time they stayed to help me in my class. I would like to give them all a positive referral.

# Mr McNaughton

- The Year 10 girls won 32-10 away at Eastbury in their first ever basketball match. All the girls did amazingly well and really worked hard for one another. The encouragement from all students during the warm up, the game and even during the end of quarters was really something I'm really proud of. All 14 girls managed to get minutes during the game which is also another aspect I wanted to introduce because of the interest from the girls and the effort they've put into some mornings and after school training.
- Here are the following scorers:
- Ashlee, Sarah M, Deimante, Alex, Daimara all scored points.

# Mr Woodhouse

Please can I get a shout out for 10x1 and 10y1 maths classes who recently took part in very tricky maths challenge that many school across the country also did. Plus, a special shout out to these pupils as they did exceptionally well and gained a bronze, silver or gold award! Jayden has made it through to the next round!

Miss Reith:

- Can I please give a shout out to the majority of my Year 10 geography class for their excellently produced revision materials for their TA2 and their fantastic focus in our revision lesson today, particularly as it was the first lesson back after half-term. Please tell them to keep up their hard work!

# Miss Hudson

- I have been impressed with Anthony's attitude to learning over the last half term. Anthony is fully engaged with the lesson and actively looks to improve his understanding.

# Pupil of the week :

A huge congratulations to Szymon for being awarded pupil of the week!

Szymon earnt an impressive five positive referrals. These were for : excellent effort and classwork in English; great contributions to a practical in food tech, and great effort all round. Please see Ms Vardaki for your pupil of the week badge.
