

Shout out to....

Jehiel

For a truly outstanding performance in the basketball match vs Chadwell Heath. As point guard, you did some truly amazing drives to the basket, showed great Basketball IQ, creativity and bravery.

Shout out to....

Cristian and Linus

For giving up their free time to help Ms Fernandez tidy my classroom.

Shout out to....

Ayanle and Saffah

Both of these students have demonstrated high levels of resilience and individual effort to gain confidence in the most challenging unit in the course: biopsychology. Both students have gone up by at least three grades as a result of their hard work. I'm immensely proud!

Shout out to....

Lukas

He has put effort into revising for his Economics TA2 and has shown the willingness to improve his TA1 result. He has been successful in doing this. Well done and keep up the hard work Lukas!
