## 9FK

A massive shout out to 9FK for their excellent inference of a letter highlighting the reasons behind the 1958 Notting Hill race riots. Lara in particular came up with excellent analysis!

9GB

For an absolutely amazing contribution to our lesson today on the Brixton Riots. Well done on working together to investigate the topic like true historians and ask lots of interesting questions which helped us to expand our understanding. I was so impressed with the hard work completed by each and every one of you. Keep it up!
