## D'Andre

- When Miss Windsor had a weak voice and couldn't project it in formtime due to being ill, De'andre led on form time - he checked equipment and presented the ppt to the class and he did an amazing job! He should consider a career in TV, film , teaching, youtubing - he is a great and entertaining presenter!

# Shout out to....

- Can I give a shout out to 91 with special shout-out to *Gerald, Ibrahim, Maria and Laviva*. The class worked really hard on the start of their *kehinde Wiley* inspired self portrait. I've attached photos. - Ms Kearney
- 9y1- Well done for taking my feedback on board and working so hard for your *Formative Assessments*, you have done me proud! Keep up the good work! - Ms Khatun

# Shout out to....

- I would like to send a year 9 shout out to Korede and Janis in 9RP for producing amazing tracking assessments this term. They were able to write insightful and effective PEE paragraphs on what lessons we can learn from the Holocaust, very proud of the work they produced!! - Ms Malaveci
- 9sc X2 : For always being so eager and enthusiastic to learn about Science. You have been working extremely hard and made me so proud!
- Thank you for always making me smile and have a good time when teaching you. Keep the hard work 😊 Miss Melia

# Shout out to....

- I'd like to shout out Arman Sayal for his enthusiasm shown in lessons towards the subject of geography. He's always got bright ideas and shows a strong love of the subject each lesson.
- I'd like to shout out Fecir Esen, who's attitude to learning has been phenomenal in the last couple of months. He always gets on to challenges and is always asking strong geographical questions, to ensure he's the best he can be in the subject.
- I'd like to shout out Sumiya Mahanaj, who always puts 100% effort into lessons. She's not shy to show her ideas, and she also fills her books with high quality work.

# Shout out to....

- I would like to shoutout - Agatha, Aurelia, Yusuf, Sumiyah, Sadman Ali, and Anais for their incredible efforts in art. Work being produced is up there with GCSE level. Keep it up!! - Ms Martin
- Could I shout out 9yEn2 - For their excellent hard work in their TA2, they did really well answering the questions and I am proud of each student in the class. - Ms Khanam
- I would like to shoutout my 9yEn1 class for a phenomenal last few Tracking and Formative assessments, you're ability to easily pick up how to embed quotes has thoroughly impressed me! - Miss Adeniyi
