

## **Baker Clause Policy Statement**

Greatfields School uses the Gatsby Benchmarks as a guide to plan our Careers programme.

As part of our commitment to informing our students of the full range of employment, learning and training pathways on offer to them, we are happy to consider requests from training, apprenticeship and vocational education providers to speak to students.

We also proactively seek to build relationships with such partners as we plan our careers information and guidance throughout the school year to ensure that providers have opportunities to speak to students and their parents in Years 7-13, to offer information on vocational, technical and apprenticeship qualifications and pathways.

Opportunities for providers to speak with students might include school assemblies, employer and provider engagement events or opportunities to speak with students and parents on a one-to-one basis supporting GCSE, post-16 or post-18 option choices.

A provider wishing to request access should contact Asma Khanom, Careers Lead:  
Email: [ASKH@greatfieldsschool.com](mailto:ASKH@greatfieldsschool.com)

If a request is granted, the provider will have access to:

- A large room within the school (for example, the hall or dance studio);
- Audio-visual equipment, including a laptop-suitable projector or interactive board;
  - Pens, paper and pencils as required;
  - At least one member of Greatfields staff.

This will all be discussed and agreed in advance of the visit with the Careers lead in advance.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at reception.
