

Shout out - Ms Malaveci

I would like to give Adrian and Ahmed Gasaali a shout out for their hard work and contributions in History. Adrian has been working hard to ensure all work is completed to a high standard in lesson and has contributed effectively within lessons since starting his GCSE History and I have been really impressed with the work he's been putting in.

Ahmed has been contributing effectively within lessons and has shown serious engagement by asking relevant questions about the work and always trying to participate in classroom discussion, I am very impressed with how hard he's been working since starting his GCSE History.

You all have such a strong work ethic and I'm looking forward to seeing all the great things you will achieve over the next few years!"

"You have had an excellent start to Health & Social Care. It is clear that you enjoy learning as you have shown interest and determination during lessons by volunteering to share your extended writing work out loud, reading and consistently helping those around you. You are excellent role models to everyone else. Well done and keep up the good work!"
