

Insight into Oxbridge

For Parents and Carers of Year 10, 11 & 12 Students

Parents will have the opportunity to meet with the Oxford University and Cambridge University School Engagement Teams to find out about opportunities for higher education. What makes these universities different to others, why your child may wish to consider applying and what life is like whilst studying. There will also be information about the application process, access and support available for mental, social and financial well-being.
