

# Shout out to....

## Year 13 BTEC Sports students

For excellent engagement in a consumer insight session at PUMA Headquarters in London. The boys gave their feedback on PUMA football boots which are to be potentially used next season and during the 2026 world cup. The students were extremely honest and explained their reasons very well. - Mr Withers

## Trevis, Maryam and Israa

Thank you to **Trevis, Maryam and Israa** for sharing such invaluable and practical knowledge with the year 12's. Thanks for being such positive role models and sharing your wisdom with them!
