

Shout out to....

Year 13 A Level English students

- Just wanted to give a particular mention to the group of 12s and 13s who came on the visit to the British Library last week. They were exceptional and did Greatfields proud.. It was an academic writing workshop and everyone got involved and asked and answered questions confidently.
- I've organised many, many of these visits in my time as a teacher, but this was by far the proudest I've been. The course leaders both mentioned to me how exceptional the group was. - **Ms Bradstreet**

Shout out to....

Year 13 A Level Psychology students

I would like to shout out 13C and 13D for a positive start to their final year of A-Level Psychology. There has been an increase in independent revision and students taking charge of their own progress.

We have not yet arrived at our final form and there is a lot more work to be done, but the growth since Year 12 has been very pleasing. I hope you continue to develop your work ethic, independent revision skills and sustained efforts! - **Ms Olumoyegun**
