He had a false start at the beginning of September, however, he has self-corrected and for the remainder of the term has consistently shown great improvement in his work, behaviour in lessons as well as attitude towards learning . Well done, Harry.

Mr Johnson wants to give out a shoutout the students who went on the trip. Represented the School inside and outside the classroom.

All students went out of the comfort zone and displayed sheer maturity and understanding of the task. Extremely proud of their behaviour and their response towards others.

Mr Ockri would like to shoutout my Year 9 PE class for a fantastic lesson on dribbling and playing 3 in a row, the students were engaged in the whole lesson and at the end it both matches of 3 in a row were tied and they really wanted to find a winner. They all did extremely well. Despite some students cheating! Despite Tasneem asking for VAR!!

It was a really fun lesson and I'm proud of them

Y9 boys football team:

Another win for the year 9 boys football team, 1-0 v Eastbrook. Really tough game with Marcos scoring the winner midway through the second half.

Standout performances from Omar, Freedom and Mohamed Noba. A very good team effort was needed from all of the boys. This win means that we now have 3 wins from 3 matches in the borough league.

Player of the match - Mohamed Noba for creating lots of opportunities and being excellent on the ball.
